Allocation of Roses

When arranging a funeral, we provide families with a full funeral 'estimate' prior to the funeral. If you pay the full estimate in advance, we will allocate a rose to your family at no cost as a thank you from us. This is a way to honour and remember your loved one.

Plaques for Roses

The allocation of a rose does not include a plaque, which will have the full name of the deceased on it. However, this plaque can be purchased at any time after the funeral when the full estimate has been paid in advance. The cost of the plaque is £65.00.

Purchasing a Rose

If you wish to purchase a rose at any time, the cost is £250.00, and a plaque can be purchased for an additional £65.00. The rose is purchased on a 10-year period, with the option to re-purchase after 10 years for £250.00. Additional plaques can also be purchased at any time for £65.00.

Maintenance

There is no maintenance cost for your rose during the times of purchase. Our team will take care of the rose on your behalf, ensuring that it remains a beautiful and peaceful place for you to visit.
